

Playing Bible Bingo

Prepare the numbered cards. They can be cut individually. alternatively, print them onto business cards. This saves time and effort, but is more expensive.

Give each participant a recording sheet. The bingo is played in the usual way, but when the number called has a picture, those whose card shows the number are given the chance to give some information about the picture. For example (number 90) "This shows St Paul's revelation on the Road to Damascus")The page "Pictured numbers" lists those.)

At the end, any participant who has not been included is given a chance to say something about a picture of the Leader's choosing.

This could be used towards the My Faith Badge for Beavers (with a slight alteration of the syllabus); for the Faith Badge for Cubs:

Find out about your place of worship and something about:

- the people involved, their titles and what they do
- the important or sacred objects
- the festivals and customs
- the stories and traditions. These could be from books, videos or other places.

or for Scouts:

Find out more about the origins of your faith.

Share what you find out with others in the Troop.

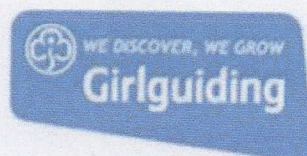

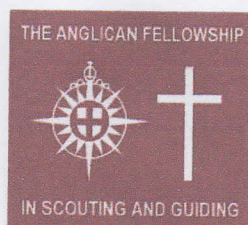

Explore something about the history of your faith at a local, national or international level.

You could learn about influential people, or visit a shrine or other holy place.

Explain to an adult some of the teachings of your faith.

Explain how these affect the way you live your life.
